Designed for anyone looking to become a more effective person—regardless of occupation, position, or stage in life.

**PARTICIPANTS WHO EXPERIENCE THE WORKSHOP DISCOVER HOW TO:**

- Improve focus, communication, and balance.
- Develop professional relationships for productive collaboration.
- Increase productivity by staying focused on the right things at the right time.
- Reduce conflict by understanding exactly what can be influenced.
- Realize the importance of responsibility, accountability, and commitment.

**Importance of Registration Deadline**

As part of the program, participants have the opportunity to send out a 360 assessment, which is most effective when completed prior to attending the program.

To complete the benchmark, participants will send an email invitation with a link to 5-7 individuals (e.g. boss, work colleagues, family, friends). It is recommended to give these individuals a week or two to complete and submit on behalf of the participant.
